Are you currently working as an intervener in a school somewhere in the U.S.?

Do you have a national credential or national certificate?

Beth Kennedy is conducting a research study to explore how interveners learn what they need to know to meet the needs of students who are deafblind and would like to talk with you!

Interveners who participate in this study will agree to participate in two interviews. Interviews will take 45-60 minutes each and will take place during the summer and fall (2020) via FaceTime, Skype, or WebEx.

If you are interested in participating in Beth’s study, please complete this five question Google form: https://forms.gle/X6DLtfdedotE92djS8. She will be in touch to schedule an appointment.
